

QUALITY POLICY

Nooter/Eriksen Mission

Our mission is to utilize our design, engineering, manufacturing management and construction expertise to provide safe, environmentally friendly, innovative, high quality, and cost-effective products and services. Nooter/Eriksen operates in a safe and professional manner while holding firmly to the highest standards of ethics and business.

We accomplish this mission by:

- ✓ Dedicating ourselves to the benefit of those we serve.
- ✓ Establishing professional relationships built on honesty and respect.
- ✓ Creating innovative solutions to meet the requirements of our Customers, Suppliers, and all interested parties.
- ✓ Providing a challenging, safe, and supportive working environment.
- ✓ Continuously improving our products and services.

Nooter/Eriksen Quality Policy

Our Policy is to take all necessary steps to ensure that the work environment is safe, and that our products and services provided to our Customers meet all the predetermined requirements, Nooter/Eriksen high standards, and those specified by the appropriate jurisdictions.

All company operations are committed to adhere to the prevention of safety incidents, and the continuous improvement of all phases of the Company, its policies, and products and services. All employees are directed to implement the steps necessary to achieve a safe and healthy work environment and the specified Company Goals and Objectives.
